3. Disputes arising from the application of the regulations, orders or statements of the parties with them related matters shall be decided by a court of general jurisdiction.

The company reserves the right to change the content of the regulations at any time. Any amendments to the regulations shall enter into force within 15 days of their being made available by the company.

4. In the event of non-acceptance of the change in the content of the regulations, the customer has the right terminate the agreement within 15 days from the date of making the changes available. No use of the above permission referred to in the previous sentence means acceptance of the changes Regulations.

Technical Specification-Omnibus directive

Definitions:

Lowest price of the last 30 days - lowest price of the product in the seller's offer on AlphaDiscounters in the last 30 days before the start of the promotion. For " new " products,

offered by the seller in less than 30 days on AlphaDiscounters this is the lowest the price that was actually offered by this seller on AlphaDiscounters (even for a shorter less than 30 days).

Words that suggest a price cut - all words, phrases, and graphic signs that point to price promotion, in particular: bargain, promotion, sale, **Black Friday**, %, **-50%**, **up to -70%**, **sale**, **sale**, **discount**.

Listing - the full list of offers to which the advertisement is directed/referred.

Guidelines:

1. An entrepreneur advertising a reduction in the price of a particular product is obliged to the promoted product indicate in addition to the promotional price, also the lowest price from the last 30 days (the price must be disclosed on the advertisement and on the product offer and Listing).
2. Advertising a specific product with a banner -30% or indicating its price promotional, the entrepreneur is obliged to offer this product in exactly such price, with exactly such a discount from the lowest price of the last 30 days before start of promotion.
3. An entrepreneur advertising a price reduction of a product group/ promotional action does not have to the advertisement show the lowest price of each of the last 30 days. On the list to which directs advertising and on the offer of each of these products, the lowest price of the last 30 days must be absolutely visible.
4. When using words in advertising suggesting a price reduction, the entrepreneur is obliged to on all listed items reveal as a strike price, the lowest price from the last 30 days.
5. If the entrepreneur does not use words in the ad suggesting a price reduction, he is not required to disclose the lowest price from the last 30 days on listed items (i.e. the listing may contain both crossed-out and non-crossed-out offers strikethrough).
6. By advertising the slogan "-40%", the entrepreneur undertakes to provide a discount on each offered product exactly 40% off the lowest price of the last 30 days.
7. By advertising the slogan "up to -40%" the entrepreneur undertakes to provide a reduction in the amount of 40% on a significant part of the products visible to the consumer immediately after entering the Listing.

The above rules do not apply to:

- Ads that do not suggest a promotion or use words that suggest a price cut,
- combined/conditional offers (e.g. "buy 1 Product, second free" 30% off when you buy 3 products").
