Advertising product	Brand	Advertising parameters	Model	Parameters emission	Release	Price per unit	Price after surcharges	Discount	Unit quantity	Net	Value

Value of service without tax:

VAT (24%)

Total payable:

For the above amount VAT invoices will be issued as follows:

The principal shall settle the above-mentioned debt within [...] days from the date of issue of the invoice.

I hereby declare that the company I represent is a VAT payer and authorize the AlphaDiscounters advertising office to issue VAT invoices without the signature of the recipient. I declare that I have read and accept the terms of the advertising Order, the Price List and the technical specification Advertising Offices AlphaDiscounters. If the advertising price list is changed, AlphaDiscounters will correct the above or issue an additional order for the amount that is the difference between the old and the new price of the ordered advertising. The change will only apply to issues that occur a month after the announcement of the new price list. A new or revised order should be sent to AlphaDiscounters at least four weeks before the issue to which it relates. Failure to submit such an order will be understood as a resignation from the further implementation of the campaign.

Stamp, date and signature of the Customer

Confirmation of order acceptance.

Parameters of advertising products commissioned for issue Any product posted on the site Alphadiscounters.com

It must meet certain technical requirements contained in the technical specification. The main guidelines are given in the table below.
